The Board is asking you to complete and return the enclosed proxy card(s), permitting your shares of the Fund to be voted at the Special Meeting of shareholders called to be held on Thursday, August 29, 2019. Shareholders of record at the close of business on July 12, 2019 (the “record date”) are entitled to vote at the meeting. You are entitled to one vote for each share you hold, with a fraction of a vote for each fraction of a share. This proxy statement and enclosed proxy are first being mailed to shareholders on or about July 24, 2019. The Board has determined that the use of this proxy statement for the Special Meeting is in the best interest of each Fund and its shareholders in light of the matters being considered and voted on by the shareholders.

You should have received your Fund’s annual report to shareholders for the fiscal year ended August 31, 2018. **If you would like another copy of the annual report, please write to or call the Fund at the address or telephone number shown at the top of this page. The report will be sent to you without charge.**

U.S. Bancorp Asset Management, Inc., the Funds’ investment adviser, is referred to as “USBAM.” USBAM is a wholly owned subsidiary of U.S. Bancorp National Association (“U.S. Bank”), which in turn is a wholly owned subsidiary of U.S. Bancorp. As of December 31, 2018, USBAM had more than \$81.1 billion in assets under management, including investment company assets of more than \$61.7 billion. The Funds and USBAM may be contacted at the same address noted above.

Committees of the Boards of Directors. The Board currently has two standing committees:

Audit Committee. Each of the Directors serve on the Audit Committee of the Board. The purposes of the Audit Committee are (1) to oversee the Funds' accounting and financial reporting policies and practices, their internal controls and, as appropriate, the internal controls of certain service providers; (2) to oversee the quality of the Funds' financial statements and the independent audit thereof; (3) to assist Board oversight of the Funds' compliance with legal and regulatory requirements; and (4) to act as a liaison between the Funds' independent auditors and the full Board. The Audit Committee, together with the Board, has the ultimate authority and responsibility to select, evaluate and, where appropriate, replace the outside auditor (or to nominate the outside auditor to be proposed for shareholder approval in any proxy statement). Messrs. Baumgardner, Gaumont, Myers, Riederer and Tompkins have been determined by the board to each be an "audit committee financial expert" for the Company.

Governance Committee. The Governance Committee has responsibilities relating to (1) Board and Committee composition (including interviewing and recommending to the Board nominees for election as directors; reviewing the independence of all independent directors; reviewing Board composition to determine the appropriateness of adding individuals with different backgrounds or skills; reporting to the Board on which current and potential members of the Audit Committee qualify as audit committee financial experts; recommending a successor to the Board Chair when a vacancy occurs; consulting with the Board Chair on Committee assignments; and in anticipation of the Board's request for shareholder approval of a slate of directors, recommending to the Board the slate of directors to be presented for Board and shareholder approval); (2) Committee structure (including, at least annually, reviewing each Committee's structure and membership and reviewing each Committee's charter and suggesting changes thereto); (3) director education (including developing an annual education calendar; monitoring independent director attendance at educational seminars and conferences; developing and conducting orientation sessions for new independent directors; and managing the Board's education program in a cost-effective manner); and (4) governance practices (including reviewing and making recommendations regarding director compensation and director expenses; monitoring director investments in the Funds; monitoring compliance with director retirement policies; reviewing compliance with the prohibition from serving on the board of directors of mutual funds that are not part of the Fund Complex; if requested, assisting the Board Chair in overseeing the self-evaluation process; in collaboration with outside counsel, developing policies and procedures addressing matters which should come before the Committee in the proper exercise of its duties; reviewing applicable new industry reports and "best practices" as they are published; reviewing and recommending changes in Board governance policies, procedures and practices; reporting the Committee's activities to the Board and making such recommendations; reviewing and, as appropriate, recommending that the Board make changes to the Committee's charter).

The Governance Committee also functions as a nominating committee by making recommendations to the Board regarding candidates for election as non-interested directors. The Governance Committee looks to many sources for recommendations of

qualified directors, including current directors, employees of USBAM, current shareholders of the Funds, search firms that are compensated for their services and other third-party sources. Any such firm identifies and evaluates potential candidates, conducts screening interviews and provides information to the Governance Committee with respect to the market for available candidates. In making director recommendations, the Governance Committee considers a number of factors, including a candidate’s background, integrity, knowledge and relevant experience. The Governance Committee has not adopted a specific policy on the issue of diversity, but takes diversity into account, among other factors, in its consideration of new candidates to the Board. Any prospective candidate is interviewed by the Company’s directors and officers, and references are checked prior to initial nomination. The Governance Committee will consider shareholder recommendations regarding potential director candidates that are properly submitted to the Governance Committee for their consideration. A shareholder who wishes to recommend a director nominee should submit his or her recommendation in writing to the Chair of the Board (Mr. Riederer) or the Chair of the Governance Committee (Mr. Gibson), in either case at First American Funds, P.O. Box 1329, Minneapolis, Minnesota 55440-1329. At a minimum, the recommendation should include:

- the name, address, and business, educational, and/or other pertinent background of the person being recommended;
- a statement concerning whether the person is not an “interested person” as defined in the 1940 Act;
- any other information that the Funds would be required to include in a proxy statement concerning the person if he or she was nominated; and
- the name and address of the person submitting the recommendation, together with the number of Fund shares held by such person and the period for which the shares have been held.

The recommendation also can include any additional information that the person submitting it believes would assist the Governance Committee in evaluating the recommendation. Shareholder recommendations for nominations to the Board will be accepted on an ongoing basis and will be kept on file for consideration when there is a vacancy on the Board or prior to a shareholders meeting called for the purpose of electing directors.

The following table shows the number of meetings the board and standing committees of the Company held during its most recent fiscal year:

	Fiscal Year Ended August 31, 2018	Fiscal Year Ended August 31, 2017
Board of Directors	8	7
Audit Committee	2	2
Governance Committee	4	5

All of the Directors and committee members then serving attended at least 75% of the meetings of the Board and applicable committees of the Company held during the Company’s most recent fiscal year.

Leadership Structure and Qualifications of the Board of Directors. The Board is responsible for oversight of the Funds. The Company has engaged USBAM to manage the Funds on a day-to-day basis. The Board oversees USBAM and certain other principal service providers in the operations of the Funds. The Board is currently composed of four members, each of whom are not “interested” directors, as that term is defined in the 1940 Act (“Independent Directors”). If the nominees are elected at the Special Meeting of shareholders, the Board will be composed of seven members, all of whom will be Independent Directors. The Board meets in-person at regularly scheduled meetings four times throughout the year. In addition, the Board may meet in-person or by telephone at special meetings or on an informal basis at other times. As described above, the Board has established two standing committees — Audit and Governance — and may establish ad hoc committees or working groups from time-to-time to assist the Board in fulfilling its oversight responsibilities. The Independent Directors also have engaged independent legal counsel to assist them in fulfilling their responsibilities. Such independent legal counsel also serves as counsel to the Company.

The chair of the Board serves as a liaison between USBAM and the Board and leads the Directors in all aspects of their oversight of the Company. The chair of the Board is an Independent Director. Among other things, the chair reviews and approves the agenda for each Board and committee meeting and facilitates communication among the Directors. The Directors believe that the Board’s leadership structure is appropriate given the characteristics and circumstances of the Company. The Directors also believe that this structure facilitates the exercise of the Board’s independent judgment in fulfilling its oversight function and efficiently allocates responsibility among committees.

The Board has unanimously concluded that, based on each continuing Director’s and each nominee’s experience, qualifications, attributes or skills on an individual basis and in combination with those of the other directors and nominees, each continuing Director should serve, and each nominee should be nominated to serve, as a member of the Board. In making this determination, the Board has taken into account the actual service of the current Directors during their tenure in concluding that each should continue to serve or be nominated to serve. The Board also has considered each continuing Director’s and each nominee’s background and experience. Set forth below is a brief discussion of the specific experience, qualifications, attributes or skills of the continuing Director and nominees that led the Board to conclude that he or she should serve as a director.

Each of Messrs. Baumgardner, Gaumont, Gibson and Riederer has served for multiple years as a Director of the Company, during which time each of them has become familiar with the Funds’ financial, accounting, regulatory and investment matters and have contributed to the Board’s deliberations.

With regard to Ms. McPeek, the Board considered that, among her professional accomplishments, Ms. McPeek has executive experience in the asset management industry having formerly served as Chief Operating and Strategy Officer, Janus Henderson PLC and, prior thereto, as Chief Financial Officer, Janus Capital Group. In light of these and other factors, the Board determined that Ms. McPeek would bring investment management industry experience to the Company’s Board of Directors.

With regard to Mr. Myers, the Board considered that, among his professional accomplishments, Mr. Myers was most recently the President, Building Efficiency of Johnson Controls, Inc., a global diversified technology and industrial company and had previously served as a senior manager at KPMG LLP. In light of these and other factors, the Board determined that Mr. Myers would bring additional senior management, accounting, and financial controls experience to the Company's Board of Directors.

With regard to Mr. Tompkins, the Board considered that, among his professional accomplishments, Mr. Tompkins had extensive executive management experience including having formerly served as Executive Vice President, Chief Operating Officer, Chief Financial Officer of Cleveland-Cliffs, Inc. (formerly, Cliffs Natural Resources, Inc.) and, prior thereto, as Executive Vice President and Chief Financial Officer, RPM International, Inc. In light of these and other factors, the Board determined that Mr. Tompkins would bring additional executive management experience to the Company's Board of Directors.

Risk Oversight. The operation of a registered investment company, including its investment activities, generally involves a variety of risks. As part of its oversight of the Company, the Board oversees risk through various regular Board and committee activities. The Board, directly or through its committees, reviews reports from, among others, USBAM, the Company's Chief Compliance Officer, the Company's independent registered public accounting firm, independent outside legal counsel, and internal auditors of USBAM or its affiliates, as appropriate, regarding risks faced by the Funds and the risk management programs of USBAM and certain service providers. The actual day-to-day risk management with respect to the Funds resides with USBAM and other service providers to the Funds. Although the risk management policies of USBAM and the service providers are designed to be effective, there is no guarantee that they will anticipate or mitigate all risks. Not all risks that may affect the Funds can be identified, eliminated or mitigated and some risks simply may not be anticipated or may be beyond the control of the Board or USBAM, its affiliates or other service providers.

Director Compensation. Effective January 1, 2016, the Company pays Directors who are not paid employees or affiliates of the Funds an annual retainer of \$165,000 (\$250,000 in the case of the Chair). The Audit Committee Chair receives an additional annual retainer of \$15,000 and the Governance Committee Chair receives an additional annual retainer of \$12,000. If Ms. McPeck and Messrs. Myers and Tompkins are elected to the Board, they will receive the same compensation as the other Independent Directors.

Directors also receive \$3,500 per day when traveling, on behalf of a Fund, out of town on Fund business which does not involve a Board or committee meeting. In addition, Directors are reimbursed for their out-of-pocket expenses in traveling from their primary or secondary residence to Board and committee meetings, on Fund business and to attend mutual fund industry conferences or seminars. The amounts specified above are allocated evenly among the Funds.

Prior to January 1, 2011, the Directors could elect to defer payment of up to 100% of the fees they received in accordance with a Deferred Compensation Plan (the “Plan”). Under the Plan, a Director could elect to have his or her deferred fees treated as if they had been invested in shares of one or more funds and the amount paid to the Director under the Plan would be determined based on the performance of such investments. Effective January 1, 2011, the Directors may no longer defer payments under the Plan. The prior deferral of fees in accordance with the Plan will have a negligible impact on Fund assets and liabilities and will not obligate the Funds to retain any Director or pay any particular level of compensation. The Funds do not provide any other pension or retirement benefits to Directors.

The following table sets forth information concerning aggregate compensation paid to each Director of FAF (i) by FAF (column 2), and (ii) by the fund complex (which is currently comprised of FAF only) (column 5) during the fiscal year ended August 31, 2018. Total compensation reflected does not include the portion of the annual retainer, which was paid to Directors by USBAM during the fiscal year ended August 31, 2018. No executive officer or affiliated person of FAF received any compensation from FAF in excess of \$60,000 during such fiscal period.

Certain Relationships and Related Transactions. The Company has entered into an investment management agreement with USBAM. According to the terms of that agreement, USBAM provides portfolio management services to each Fund in consideration for fees based on the Fund’s daily average net assets.

Required Vote. The election of a nominee to the Board requires the affirmative vote of a plurality of the votes cast at the meeting of the Company’s shareholders.

Board Recommendation

The Board unanimously recommends that shareholders of each Fund vote “For” the nominees.

OTHER MATTERS

The Board knows of no other matters that are intended to be brought before the meeting. If other matters are properly presented for action at the meeting, and the Company did not have notice of the matter at least 45 days prior to the date on which proxy materials were first sent to shareholders, the proxyholders named in the enclosed form of proxy will vote on those matters in their sole discretion.

Holders of each class of shares of each Fund that is a series of the Company will vote together, as a single class, on any matter that may properly come before the meeting and at any adjournment or postponement thereof. To the Company's knowledge, no change in control of the Company has occurred since the beginning of its last fiscal year.

How Proxies Will Be Voted. All proxies solicited by the Board that are properly executed and received prior to the meeting, and that are not revoked, will be voted at the meeting. Shares represented by those proxies will be voted as indicated on the proxy card, or in the discretion of the proxyholders on any other matter that may properly come before the meeting.

How to Vote. Complete, sign and date the enclosed proxy card and return it in the enclosed envelope.

Expenses. The expenses of preparing, printing and mailing the enclosed proxy cards, the accompanying notice and this proxy statement and all other costs, in connection with the solicitation of proxies will be borne by the Company. The Company may also reimburse banks, brokers and others for their reasonable expenses in forwarding proxy solicitation material to the beneficial owners of shares of the Company. In order to obtain the necessary quorum at the meeting, additional solicitation may be made by mail, telephone, telegraph, facsimile or personal interview by representatives of the Company, USBAM, the Company's transfer agent, or by brokers or their representatives or by a solicitation firm that may be engaged by the Company to assist in proxy solicitations. Any costs associated with such additional solicitation are not anticipated to be significant.

Householding. The Company may reduce the number of duplicate shareholder reports and proxy statements your household receives by sending only one copy of those documents to those addresses shared by two or more accounts. Call the Company at (800) 677-3863 or write to the Company at the address on page one of this proxy statement to request individual copies of shareholder reports and proxy statements, or to request a single copy of shareholder reports and proxy statements if your household is receiving duplicate copies. We will begin sending your household single or multiple copies, as you request, as soon as practicable after receiving your request.

Revoking a Proxy. At any time before it has been voted, you may revoke your proxy by: (1) sending a letter saying that you are revoking your proxy to the Secretary of the Company at the Company's offices located at 800 Nicollet Mall, Minneapolis, Minnesota 55402; (2) properly executing and sending a later-dated proxy; or (3) attending the meeting, requesting return of any previously delivered proxy, and voting in person.

Quorum, Voting at the Meeting, and Adjournment. For any matter that may properly come before the meeting of the Company, 10% of the shares entitled to vote on the matter constitutes a quorum for that matter. For purposes of determining the presence or absence of a quorum and for determining whether sufficient votes have been received for approval of any matter to be acted upon at the meeting, abstentions and broker nonvotes will be treated as shares that are present at the meeting but have not been voted. If a quorum is not present in person or by proxy at the meeting, or if a quorum is present at the meeting but not enough votes to approve a proposal are received, the persons named as proxyholders may propose one or more adjournments of the meeting to permit further solicitation of proxies. Any proposal for adjournment of the meeting for the Company will require the vote of a majority of the shares of the Company represented at the meeting in person or by proxy.

Audit Committee Pre-Approval Policies and Procedures. Under the charter, the committee may delegate pre-approval authority to a member of the committee, who must report any pre-approvals to the committee at its next meeting.

All services provided to the Company described under the paragraphs entitled Audit-Related Fees, Tax Fees and All Other Fees were pre-approved in accordance with the Audit Committee charter. The Company’s Audit Committee has considered whether E&Y’s provision of services (other than audit services to the Company) to USBAM and affiliates of USBAM that provide services to the Company is compatible with maintaining E&Y’s independence in performing audit services.
