Performance quoted represents past performance and does not guarantee future results. Investment return will fluctuate so that an investor's shares, when redeemed, may be worth more or less than the original cost. Current performance may be lower or higher than quoted. For current month-end performance information, call 800.677.3863. Performance assumes the reinvestment of dividends and capital gains. Investment performance reflects fee waivers. Without waivers, returns and yields would be reduced.

<sup>†</sup>Subsidized (Sub.) yields reflect fee waivers in effect. Without such waivers, yields would be reduced. Unsubsidized (Unsub.) yields do not reflect fee waivers in effect.

<sup>†</sup>The advisor has contractually agreed to waive fees and reimburse fund expenses through October 31, 2020, so that the total annual fund operating expenses do not exceed as stated. These waivers and reimbursements may be terminated any time after October 31, 2020 by the advisor. Prior to that time, waivers and reimbursements may not be terminated without approval of the fund's board.

**Portfolio Maturity:** Maturities of the portfolio's securities are determined using provisions of SEC Rule 2a-7, which allow the fund to consider certain floating- and variable-rate securities as having maturities shorter than their stated maturity dates.

**Weighted Average Maturity (WAM)** is the time to maturity of all the securities held in the fund, weighted by each security's percentage of total investments. WAM measures a fund's sensitivity to interest rate changes.
